Method Marine Supply Ltd. Catalogue

About this catalogue

Due to overwhelming customer demand, we have created a comprehensive marine and industrial catalogue. We can also provide you with a series of customized catalogues which detail the full range of products available at Method Marine. The specific department catalogues available include: Industrial Lube and Oil, Marine Hardware, Marine Electronics, Clothing and Footwear, Dive Gear, Electrical, Industrial Hose and Fittings, Tools, Paint and Fibreglass, and Ship and Industrial Safety.

With competitive prices and free local delivery, we can help you save time, freight costs, and administrative expenses. We care about your business, and hope that these catalogues are of some assistance.

How to use this catalogue

This catalogue represents a list of product lines that we stock rather than a complete listing of every item available within that line. This would be an enormous undertaking, better left to the manufacturers. A price list is included as a separate attachment which will give a good indication of the scope of what we carry in stock, along with list pricing. There are many lines and items which we can source in addition to those detailed in this catalogue. If you require additional information please call or fax us with your request. We would be happy to provide you with manufacturers' catalogues, custom quotations, and product information.

About this catalogue-customer feedback

After looking into printing costs, and the associated constraints around volume printing, we decided that it would be more cost effective to design and print our own catalogues, using local contractors. This way we can continually update catalogues as required. If you have any comments or suggestions, please fax them to Alcuin Design at 725-2111 attn. Steve Bernard, or email us at

Method Marine Lubricating Oils & Compounds

Engine Protection for Your Boat, Car and Truck

Our two core lubricating oil lines are Chevron and Lubrimatic. Chevron motor oils are designed to meet the performance specifications and temperature requirements of most marine, industrial, car and truck, two and four stroke engines. The use of Chevron oils will not void your engine manufacturers warranty. Chevron oils are blended using only premium quality paraffin base oils and additives designed to keep engines clean and protected against wear. Lubrimatic TCW3 and marine oils are also of high quality and will not void your engine warranty. We offer a local lube oil delivery service for our commercial customers, which runs Monday, Wednesday, and Friday. Method Marine also stocks a full line of industrial compounds, which include caulking, penetrating oils and degreasers, fuel conditioners, glues and adhesives, fibreglass cleaners, and more.

Table of Contents

Lube Oils

TCW 3 2-Cycle Oils

1. Chevron TCW3
2. Lubrimatic TCW3

Automotive Oils

3. Chevron Supreme

Industrial & Marine Oils

4. Delo 100
5. Delo 400

Hydraulic Oils

6. Chevron AW 32 Hydraulic Fluid
7. Sea Star Hydraulic Fluid

Grease

8. Ultiplex
9. Ultraduty
10. FM 460 Lube
11. Duralith
12. Vistac Oil ISO 220X

Solvents

13. Chevron 350 Solvent
14. Recochem

Naphtha

15. White Gas

Gear Lube Products

16. 80-90w Universal Gear Lube
17. Open Gear Lube

Jet Fuel

18. 20L Drums / Special Orders

Kerosene

19. Ultra Clear

Fluids

20. 20L pail of torque fluid
21. 20L Tractor Fluid
22. Castrol 30W Oil
23. Chain Bar Oil
24. Automatic Transmission Fluid
25. Lubrimatic Products
26. Dive Compressor Oil

Compounds

27. Caulking
28. Clothing protection and repair
29. CRC products
30. Degreaser spray
31. Fuel conditioners
32. Gasket compounds
33. All types of glue
34. Locktite thread lock
35. All Locktite products
36. LPS products
37. Penetrating sprays
38. Assorted polishing compounds
39. Rad flush / leak
40. Rain X
41. Sikaflex sealant
42. Starbrite products
43. Boat stove accessories
44. Toilet conditioners
45. Vertglass products
46. Vinyl / rubber cleaners
47. Antifreeze
48. Bilge cleaner
49. Bleach and related cleaners
50. Blue steel rust paint
51. Boat life products
52. Cleaning products
53. Fibreglass cleaner and waxes
54. Hand cleaner

TCW 3 / 2-Cycle Oils Section

1. CHEVRON TCW3 / 2-CYCLE OIL

Designed for use in 2-cycle outboard motors, this oil meets the latest requirements for the National Marine Manufacturers Association TC-W3 performance standard. It is formulated to provide excellent lubrication and deposit control in all water cooled 2-cycle engines. It is also suitable for use in air cooled applications such as snowmobiles, chainsaws and lawn equipment. Chevron TCW3 contains a high flash solvent which allows excellent mixing with gasoline even at low temperatures. Available in 1L, 4L, 20L and 200L drum containers. Chevron TC-W3 will not void your engine manufacturer's warranty and contains a special ash-less detergent to minimize piston rings from sticking, providing clean combustion.

2. LUBRIMATIC PRODUCTS TCW3

Lubrimatic TCW3 meets all manufacturer's requirements. Premium ash-less formulation from ultra clean base stock minimizes ring sticking, deposits and plug fooling. This oil has high mixing ability and prevents wear and corrosion. Available in 1 and 4 liter jugs.

Automotive Oils Section

3. CHEVRON SUPREME

Reduces engine deposits and provides superior engine performance. Designed for use in small cars, light trucks and marine engines. Provides excellent anti-wear protection, reduces engine deposits and protects against thermo breakdown to provide you with great performance. Stocked in packages available in SAE 30, SAE 10W30 and SAE 10W40 and 1L containers.

52. CLEANING PRODUCTS

We carry many types of cleaning products, such as 911 glass cleaner and mildew remover, which comes in a 24 oz spray bottle or 1 gallon jug. We also stock Teak 2 part cleaner in 1 quart and 1/2 quart sizes. Method marine carries a huge selection of cleaners- come in and see for yourself!

53. FIBREGLASS CLEANERS AND WAXES

For cleaning or waxing any fibreglass surface, Mirror Glaze makes a line of quality cleaners, waxes and colour restorers. We also carry Sudbury brand cleaners and waxes.

54. HAND CLEANERS

Fast Orange is a citrus based hand cleaner that removes the toughest dirt, grease, ink, paint, glue- - almost anything. It is available in 225 ml, 443 ml, and a 3.5 L jug. We also carry Sikaflex hand wipe cleaner.

48. ASSORTED BILGE CLEANERS

Method Marine has a wide selection of bilge cleaners and degreasers. Some different brands include Hyseas, which comes in 20 L, 4L or 1L sizes, Awesome Green, which comes in 4L or 1L, Seven Seas, in 4L or 1L, Sipeo in 4L and Sudbury, available in 4L or 1L.

**49. BLEACH AND RELATED CLEANERS**

Method Marine stocks two different kinds of bleach. The 12% industrial strength bleach is available in 5 gallons, 4 L or 20L. We also stock household bleach, which comes in a 3.6L jug.

50. BLUE STEEL RUST PAINT

Blue steel is a primer that chemically converts rust and stops metal corrosion. Blue steel comes in 4L, 946 ml, 474 ml and 237 ml sizes.

**51. BOATLIFE PRODUCTS**

Boat Life makes a line of wood and rust treatment products. For treating wood use Git-Rot, a two part liquid epoxy that restores strength to any rotten wood. Git-Rot converts rust to a paintable surface.

Industrial & Marine Oils Section**4. DELO 100**

Delo 100 oil is recommended for two and four cycle diesel engines in moderate to severe service. It is also recommended for Power shift transmissions and mobile hydraulic systems requiring Allison C4 or C3 fluids. Available in 1L, 4L, 20L, and 200L drums. Primarily designed for Detroit diesel engines.

5. DELO 400

Developed for all gasoline, diesel, and turbo charged engines, this oil features a high detergent level which leads to excellent soot dispersal. Its performance maximizes engine and filter life while lowering emissions. Its primary recommendation is for engines requiring API CH-4 level performance. Available in 1L, 4L, and 200L. Manufactured in SAE 30, SAE 40, SAE 15/40. SAE 10 is available at Method Marine in 20L pails.

**Hydraulic Oils Section****6. CHEVRON HYDRAULIC FLUID**

Method Marine stocks AWISO 32 and AWISO 46 hydraulic oils. These oils are designed to give maximum protection to hydraulic pumps and high performance industrial applications, as well as for use in environmentally sensitive areas. Excellent foam suppression characteristics.

7. SEA STAR HYDRAULIC OIL

Sea Star Hydraulic fluid is formulated for Sea Star steering systems. It is blended with viscosity stabilizers, anti-wear ingredients, de-foaming agents and corrosion inhibitors to ensure maximum steering life and performance.

Grease Section

8. ULTI-PLEX GREASE

Available in tubes or bulk pails. Continuous high temperature stability up to 177°C. Excellent corrosion and wear protection. Excellent water resistance. High load capacity.

9. ULTRADUTY GREASE

This grease offers the following properties: high shock load protection, high load carrying protection, high corrosion and rust protection, extended service lubrication.

10. FM GREASE

FM grease is a food grade grease that exceeds all specifications for food processing equipment. Multipurpose lubricant, excellent pump ability, EP properties.

11. DURALITH GREASE

Duralith is a lithium compound grease and a multi-purpose extreme pressure grease. This product features high film strength, good water resistance, and good corrosion protection.

12 VISTAC OIL ISO 220X

Designed for use in severe service rock drills. It contains rust inhibitors which help prevent piston and rifle bar corrosion. Available in 20L and 200L drums.

44. TOILET CONDITIONERS

Sudbury aqua clear and Sheford Aqua Kem are effective rust inhibitors that can be used in water tanks or fresh water cooling systems. Sea-Lube toilet lube lubricates marine toilets and bilge pumps.

45. VERTGLASS PRODUCTS

Vertglass makes a line of boat washes and gel coat restoration systems, useful on boats, cars and campers. Great for maintaining the shine without stripping the wax.

46. VINYL / RUBBER CLEANER RESTORERS

For cleaning rubber, vinyl, fibreglass, tires, plastic and even leather. We carry Armor All low gloss protectant, Meguiars vinyl and rubber cleaner, and ABC vinyl canvas cleaner.

47. ANTIFREEZE

To protect your vehicle, boat, septic system or even swimming pool filtration and heating system. We carry a variety of antifreezes for all your needs.

40. RAIN X PRODUCTS

RainX makes a good line of antifogging rain repellent for all windows, available in 100 ml, 200 ml, 500 ml, and 950 ml. Also available in a spray bottle.

41. SIKAFLEX SEALANT

Sikaflex sealant is a one component moisture curing polyurethane designed as an all purpose marine adhesive sealant and bedding compound. Sikaflex comes in a 310ml tube used with a caulking gun, or an 88 ml squeeze tube, and is available in white, black or mahogany.

42. STARBRITE PRODUCTS

Starbrite makes a big line of inexpensive but good quality products, ranging from items like steel epoxy, putty sticks, and anti-seize thread lube to diesel and gas additives. We also carry liquid electric tape, rust eaters, gasket makers and many more items.

43. BOAT STOVE ACCESSORIES

We carry hybrid stove and furnace cement in 1L and 500 ml. Hy-bond cement is a high temperature cement used as a metal-to-metal or brick-to-metal cement. Also available is Water Glass in 1L or 500 ml sizes, used with Thermofab to make a strong durable fireproofing.

Solvents Section

13. CHEVRON 350 SOLVENT

This solvent is used for a variety of applications including painting, dry-cleaning, metal cleaning, and concrete curing. Available in 20L pails, and 200L drums.

14. RECOCHEM

This line of products includes solvent, paint thinner, turpentine, acetone, methyl hydrate, diesel, gas, kerosene, marine stove alcohol, naphtha and other related products.

Naphtha Section

15. NAPHTHA

Designed mainly for use in lamps, it can also be used in camping stoves. Also known as white gas.

Gear Lube Section

16. 80-90W UNIVERSAL GEAR LUBE

This universal gear lube is designed for heavy duty applications requiring an API service GL-5 gear lubricant including automotive axels, manual transmissions, truck axles, and wheel hubs. It is compatible with all manual based gear lubricants.

17. OPEN GEAR LUBE

Chevron gear compounds are recommended for superior performance in all industrial enclosed gearing. They have high film strength that assures low gear wear and outstanding water resistance.

Jet Fuel Section

18. CHEVRON JET FUEL

Jet Fuel "A" is available through Method Marine in factory filled 200L drums. This is a non-stocked item and must be specially ordered.

Kerosene Section

19. KEROSENE

Ultra clear premium lamp oil is a top quality paraffin lamp oil which produces a bright flame but has no odor and burns without smoking. Designed for wick feeding lamps or candle lamps, it is available in 1L containers. Lower grades of kerosene are also a stocked item for applications where odor and smoke are not a concern. Package sizes are 1L, 4L, 20L, and 200L.

36. LPS PRODUCTS

LPS 1 is a greaseless light duty lubricant ideal for precision components and delicate mechanisms. LPS 2 can be used for lubricant and penetrating fluid to quickly loosen most frozen nuts, bolts, and parts. LPS 3 is a heavy duty rust inhibitor which protects metal from rust and corrosion for up to 2 years. We also stock FC free electro contact cleaner and LPS cold galvanized corrosion inhibitor.

37. PENETRATING SPRAYS

We carry a variety of penetrating sprays, including WD-40, an all around multi-purpose spray that lubricates, cleans, protects and penetrates. Fluid Film is also a multipurpose oil spray. STP makes brake and part cleaner as well as carb and choke cleaner. Other brands in stock at Method Marine include CRC, 3M, LPS and Lubrimatec.

38. ASSORTED POLISHING COMPOUNDS

For polishing chrome, steel, or brass we carry Never Dull and Wenol all purpose metal polish. Both products work very well.

39. RADIATOR FLUSH / LEAK COMPOUND

For stopping small leaks in your radiator or cooling system we carry Bars Radiator Stop Leak and Gunk Engine Stop Leak. Both are very effective and come in different sizes.

32. GASKET COMPOUNDS

Most of our gasket compounds and belt dressings are made by Permatex. Gasket makers come in different colors for different jobs. For example the red gasket maker is for high temperature parts and the blue gasket maker is for low temperature parts. Permatex also makes gasket sealers and belt dressings in either a spray can or a brush on liquid.

33. ALL TYPES OF GLUE

We carry glue for all jobs. For fibreglass work and almost anything under the sun you can use Hyseas UF109 marine glue with catalyst. For repairing shoes or parts that need to be flexible, Goop makes a good line of shoe glues and multi-purpose glues. For plastics or small jobs, we stock Krazy glue and Devcon 2-ton epoxy.

34. LOCKTITE THREAD LOCK

Locktite thread lock is an effective way to lock studs, bushings and large fasteners against loosening and wear. Thread lock comes in different strengths and brands like Permatex and Devcon.

35. ALL LOCKTITE PRODUCTS

Locktite makes an extensive line of products. We carry locktite colour guard in blue, white, yellow and black. Colour guard provides a tough rubber coating, and can be used on wood, metal, canvass, plastic, glass, foam, rubber, fibreglass and masonry.

Fluids Section

20. 20L PAIL OF TORQUE FLUID

Chevron torque fluid is a high performance hydraulic fluid designed for use in transmissions and hydraulic systems requiring type C-2 and C-3 specifications.

21. 20L TRACTOR FLUID

Chevron tractor hydraulic fluid is a multi functional, specially formulated fluid to meet the needs of modern farm tractors services. This product is designed for use in all farm tractors.

22. CASTROL 30W OIL

This non-detergent oil is suitable to use in compressors and other stationary motors where a non-detergent is specified. May also be used as a hydraulic fluid in small volume, low pressure systems. It is NOT suitable for scuba air compressors.

23. CHAIN BAR OIL

Provides excellent performance in all types of chain saws. It is recommended for chain drives on lumber carriers, motor cycles, lawn mowers, and farm equipment.

24. CHEVRON AUTOMATIC TRANSMISSION FLUID

A multipurpose, high performance transmission fluid recommended for Ford, GM, Chrysler, and most foreign transmissions. May also be used for power steering and mobile hydraulic systems.

25. LUBRIMATIC PRODUCTS

Lubrimatic manufactures a line of quality grade lubricating products including TCW3 2-cycle oil, high performance 80/90W lower unit gear oil for stern drives, outboards and axels, and trim and tilt fluid for standard drives.

26. DIVE COMPRESSOR OIL

Method Marine stocks a quality dive compressor oil. This is a non-petroleum based product and is required in all breathing-air compressor systems. Available in 1L and 4L packaging.

27. CAULKING

We carry Permatex, Starbrite, Boat Life and GE brands of caulking. They come in white, black or all purpose clear. This will provide a weatherproof seal around metal, glass, rubber, and other materials. We also carry caulking tools made by Starbrite, including the caulk rite tool and the caulk away tool, great for doing a professional job.

Compounds Section

28. CLOTHING PROTECTION & REPAIR

We carry clothing protection and repair products, such as 303 High-Tec fabric guard and protectant which protects all fabric from water, dirt, grease and sun damage. Other products like Hydro-Tec leather treatment and Arctic Dubbin are great for waterproofing boots and any leather clothing. We also stock sport-wash which will clean and restore breathability of water proof fabric and insulation.

29. CRC PRODUCTS

CRC makes a line of quality products from glass cleaner to instant galvanize. Other products include battery terminal cleaner, engine degreaser, heavy duty silicone, carb & choke cleaner, corrosion inhibitor and more. This line is value priced.

30. DEGREASER SPRAY

Brands like STP, CRC and Gunk are a few of the degreaser sprays that we carry. They are useful for engine cleaning, parts cleaning, and tool cleaning.

31. FUEL CONDITIONERS

We carry fuel conditioners, fuel stabilizers, octane boosters and algae killer for both gas and diesel engines. Different brands of conditioners include STP, Racor, CRC, Fuel Power and Howes.
