## Method Marine Supply Ltd. Catalogue

### About this catalogue

Due to overwhelming customer demand, we have created a comprehensive marine and industrial catalogue. We can also provide you with a series of customized catalogues which detail the full range of products available at Method Marine. The specific department catalogues available include: Industrial Lube and Oil, Marine Hardware, Marine Electronics, Clothing and Footwear, Dive Gear, Electrical, Industrial Hose and Fittings, Tools, Paint and Fibreglass, and Ship and Industrial Safety.

With competitive prices and free local delivery, we can help you save time, freight costs, and administrative expenses. We care about your business, and hope that these catalogues are of some assistance.

### How to use this catalogue

This catalogue represents a list of product lines that we stock rather than a complete listing of every item available within that line. This would be an enormous undertaking, better left to the manufacturers. A price list is included as a separate attachment which will give a good indication of the scope of what we carry in stock, along with list pricing. There are many lines and items which we can source in addition to those detailed in this catalogue. If you require additional information please call or fax us with your request. We would be happy to provide you with manufacturers' catalogues, custom quotations, and product information.

### About this catalogue-customer feedback

After looking into printing costs, and the associated constraints around volume printing, we decided that it would be more cost effective to design and print our own catalogues, using local contractors. This way we can continually update catalogues as required. If you have any comments or suggestions, please fax them to Alcuin Design at 725-2111 attn. Steve Bernard, or email us at

### METHOD MARINE SUPPLY LTD. COMPANY INFORMATION

MS185

MS195

MS2195

**1-2. MUSTANG VESTS**

Method Marine stocks several styles of vests: Boater, high impact, paddle and kayak vests.

**1-3. MUSTANG SEA RIDER**

The Mustang quality you've come to trust, Sea Rider is the perfect marriage between floater gear and wet suit. Designed for people who are prepared to get wet, the Sea Rider line has neoprene neck, wrist and leg closures. Other features include arm ventilation, waist belts, gussets and improved drainage to allow water to escape.

**1-4. MUSTANG SPORTSMAN LINE**

The Sportsman line is designed for comfort and mobility, and features mesh shoulders and side adjustments to ensure a proper fit for the jackets. The classic fisherman and Deluxe inflatable fisherman vest are ideal for avid lake or river fisherman.

**1-5. MUSTANG CLASSIC LINE**

The Mustang Classic line is constructed of the highest quality AIRSOFT foam system providing buoyancy, insulation and durability far superior to that of its competitors. This line includes the MC1505 Classic jacket and bib pant.

**1-6. MUSTANG INTEGRITY LINE**

Like the Classic line, Integrity suits, jackets and bib pants are constructed with the patented AIRSOFT foam system and include added features to enhance comfort, durability and thermal protection. In addition to all the features of the Classic line, the Integrity line includes fleece lined collars, underarm ventilation reinforced seat patches and more.

**1-7. MUSTANG INFLATABLES**

The latest in personal flotation devices. Method Marine is fully equipped with the Mustang line. Vests come with automatic airflow inflators, in red, blue or black. We also carry inflatable pouches that are compact and lightweight.

**8. BAFFIN**

The boot pictured here is a lightweight work boot that comes with or without a steel toe. This line is available year round and has different men's, women's and children's styles at affordable prices. Made in Canada.

**9. PUROFORT**

The undisputed champion of boots, Puroforts are made of vulcanized rubber, lined with nylon mesh and feature built in insoles. With or without steel toes they are extremely lightweight. Puroforts are now available in light blue as well as green.

**10. VIKING DECK BOOTS & INDUSTRIAL RAINWEAR**

The Viking deck boot is the best deck boot currently on the market. The Viking boot line includes short boots, insulated boots, forestry and fire boots. Viking also has a complete line of industrial rainwear that is valued priced. This line is available year round with next day delivery.
