Method Marine Supply Ltd. Catalogue

About this catalogue

Due to overwhelming customer demand, we have created a comprehensive marine and industrial catalogue. We can also provide you with a series of customized catalogues which detail the full range of products available at Method Marine. The specific department catalogues available include: Industrial Lube and Oil, Marine Hardware, Marine Electronics, Clothing and Footwear, Dive Gear, Electrical, Industrial Hose and Fittings, Tools, Paint and Fibreglass, and Ship and Industrial Safety.

With competitive prices and free local delivery, we can help you save time, freight costs, and administrative expenses. We care about your business, and hope that these catalogues are of some assistance.

How to use this catalogue

This catalogue represents a list of product lines that we stock rather than a complete listing of every item available within that line. This would be an enormous undertaking, better left to the manufacturers. A price list is included as a separate attachment which will give a good indication of the scope of what we carry in stock, along with list pricing. There are many lines and items which we can source in addition to those detailed in this catalogue. If you require additional information please call or fax us with your request. We would be happy to provide you with manufacturers' catalogues, custom quotations, and product information.

About this catalogue-customer feedback

After looking into printing costs, and the associated constraints around volume printing, we decided that it would be more cost effective to design and print our own catalogues, using local contractors. This way we can continually update catalogues as required. If you have any comments or suggestions, please fax them to Alcuin Design at 725-2111 attn. Steve Bernard, or email us at

METHOD MARINE SUPPLY LTD. COMPANY INFORMATION

29. KREPP

Krepp manufactures a line of affordable tools. When price is an issue, Krepp is a great choice.

30. MISCELLANEOUS TOOLS

In this category we include filter wrenches, drum plug wrenches, garden hose attachments, tool boxes, pry bars, trailer winches, standard and metric tap and die sets, and metal vices. Several styles of each are always in stock.

31. GREASE GUNS & FITTINGS

We stock several styles of Lubrimatic grease guns, with hose attachments and a full line of grease fittings.

32. KNIVES

Method Marine stocks a wide variety of knives for sport, commercial, and industrial purposes. Knife lines include Frost, Dexture Russell, Bokker and a plethora of inexpensive sport knives. In addition, all major sport knives can be sourced through us, with names like Gerber, Spyderco, Camilus and Schrade.

Method Marine Tool Lines

Our two main tool lines are G.E.L professional grade tools and the value priced Brico and ShopPro lines. Both sourced from within B.C., these lines have excellent turn over times for special orders. We carry a complete line of G.E.L sockets and drivers for 3/8" and 1/2" drives as well as a full assortment of metric wrenches. Recent additions to this department include G.E.L air tools, along with the appropriate hoses and connections. For convenience purposes we can access most lines of power tools, including skill saws, drills, grinders, etc., as well as professional and handyman grades of construction tools. Aluminum ladders, carts and hand trucks can also be sourced through us at competitive prices – even metal and plastic storage bins. For information on our painting supplies, please refer to our catalogue on paint and sundry items.

1. SCREWDRIVERS

From stubby to 17" Robertson, Philips, Flathead and Star, in single or multi-bit, we carry a variety of styles. Screwdriver sets are also stocked. We have a rust resistant multi-bit marine model in stock.

2. WRENCHES

If you need a single wrench or a full set we have all sizes in either metric or SAE. Made by Brico, Jet and Gel.

3. DRILL BITS

We carry high speed stainless steel and wood drill bits in either a single package or variety pack.

4. NUT DRIVERS

With a huge selection of bits and nut driver sets you will find what you need at Method Marine.

5. ADJUSTABLE WRENCHES

We have 6", 8", 10", 12", 15", and 18" adjustable wrenches made by Fuller as well as a 4-pack available from Brico.

25. GEL COMPRESSED AIR DRIVERS

We stock several styles of compressed air drivers, and can source spray guns, sandblast kits, and sanders, as well as regulators, hoses and fittings.

26. BRICO PRODUCTS

The Brico line includes a wide assortment of inexpensive tools. This line is useful when you have a high rate of tool loss in your operation. The quality has improved substantially over the years. Also great for seldom used but necessary tools, such as tape and die sets.

27. GEL PRODUCTS

This is a complete line of quality tools shipped out of Vancouver. The hand-tools come with a full lifetime warranty. The GEL line includes screwdrivers, nut-drivers, hex keys, wrenches, pliers and snips, cutting tools, and automotive and specialty tools.

28. PIPE WRENCHES

Come in and check out our variety of pipe wrenches, from 8" to 36", you will find what you need in stock.

21. PLIERS / VICE GRIPS

We have pliers for all applications, from needle nose to slip joint, to water pump, as well as vice grips, forceps and fishing pliers... you need not look elsewhere.

22. TOOL KITS

We stock a variety of socket and tool sets, which are value priced and professional quality.

23. SPECIALTY TOOLS

Method Marine stocks a variety of specialty tools including air sets, thickness gauges, plastic calipers, crimping sets, power accessory kits, flaring tool kits, magnetic inspection mirrors, pick rod sets, automatic wire strippers, electrical auto sets, universal joint sets, and battery post cleaners

24. MEASURING TAPES

We carry different types of measuring tapes, from small 1/2" by 12", right up to 1" by 100'.

6. SOCKETS

We sell single sockets in 1/4", 3/8", and 1/2" drives in most sizes of SAE and metric, deep or normal with all the adapters, ratchet handle and spinners. We also stock a variety of socket/ratchet sets, again in SAE or metric.

7. SOLDERING EQUIPMENT

Whether it's a big or small soldering job we have the tools you need with a 2 piece propane torch set or variety of butane torches by Anchor or Benzomatic, as well as flux and resin solder.

8. SLEDGES / AXES / HAMMERS

Method Marine carries a variety of edge hammers, splitting malls, and hatchets. We also have a couple different machetes to choose from.

9. BRUSHES

We stock "Turks Head" deck brushes in soft, medium and stiff, with natural or nylon materials. We also carry stainless steel and brass wire brushes, squeegees and handles.

10. CAULKING GUNS

With four different caulking guns to choose from you should have no trouble finding what you need.

11. FILES

We carry flat, round, and triangle mill bastard files. We also stock chainsaw files, and 1/2" round wood rasps.

12. FUNNELS

We stock funnels small enough for stoves and lanterns, and have funnels to 9".

13. GEAR PULLERS

Method Marine stocks gear pullers in three different sizes: 75 mm, 100 mm, and 150 mm. Larger or smaller sizes can be special ordered.

14. HEX KEYS

There are 7, 8, 14 and 25 piece hex key sets to choose from ranging 1/16" to 3/8" in SAE, and 1.5 to 10 mm in metric.

15. JACKS

We stock 2 and 4 ton hydraulic bottle jacks as well as 2 and 4 ton hard cable pullers. Other sizes are available on request.

16. PADLOCKS

We carry both normal and marine grade padlocks in a huge variety of sizes from luggage locks to 3" marine grade brass padlocks.

17. SNIPS

We have regular tin snips in both 10" and 12", as well as aviation tin snips, which are sold individually or in 3 piece sets.

18. BOLT CUTTERS

We carry 18", 24", and 36" sizes.

19. TESTERS

We have testing units for antifreeze and battery acid levels as well as pocket multi-testers for voltage, circuit or both.

20. C-CLAMPS

We stock C Clamps in 3", 4", 6," and 8" sizes. Other sizes are available on request.
